Dear Sir

B

Thank you for your letter of 14 June 2009 and the additional information. I have no further enquiries regarding the points raised. Ordinarily I would issue a closure notice to that effect however in view of the continuing enquiry into the associate company I believe it is more appropriate to delay the issuing of the Notice. If however you wish me to issue the closure notice please let me know.

Yours faithfully

Dear Mr Arthur

SA

I refer to my colleagues' letters of 11 December 2009 and 12 February 2010.

I have received the results of the till analysis which took place on 30 November 2009 and I have no further questions regarding the 'no sales'. I have started procedures to close the enquiry and I enclose a copy of my letter to the company

Yours sincerely
